

## Year 9 PC Task: September 2022

You have won a £950.00 voucher in a competition.

You can use this voucher at any online store such as

[www.pcworld.co.uk](http://www.pcworld.co.uk)

[www.dell.com/uk](http://www.dell.com/uk)

[www.amazon.co.uk](http://www.amazon.co.uk)

Your old PC needs replacing, you need to find images, prices specifications and hyperlinks for the following:

Desktop PC and Monitor

Mouse and Keyboard

Colour Printer

Speakers

12 Months Broadband connection.

You do not get any change from the voucher and you can't add any more money so you need to get the total to as near as £950.00 as possible.

If you have time....

You have a further £250.00 to spend on items of your own choice. This can be an upgrade of your system or additional items.

### Detailed instructions for PC task 2022:

**Person 1** must submit the word document containing hyperlinks to the items considered and explanations of why the chosen items were preferred. Bonus marks for a well-presented document with images and specification of the items and for embedding a copy of the spreadsheet

**Person 2** must create a presentation (for example a sway) to "sell" the chosen PC system which should have pictures of the items and use persuasive language to promote them using the specification information. Bonus marks for including extra items/upgrades available for an extra £250

**Person 3** must create a spreadsheet listing the items, the manufacturer, the product ID, key specifications and the cost of each item. Use a formula to calculate the total cost at the bottom of the list. Bonus marks for how close to £950 the total cost of the PC system is and how close to £250 the upgrade/extras are.
