

The Queens Underwear

Who knows?

*What does her royal majesty wear underneath,
does she wear short frilly knicker,*

Or dose she find them on twitter

Dose she wear royal blue,

Or does she get them off old sue,

Are they really posh?

Dose she spend lots of dosh,

Do they have cute little kittens?

Does she have matching mittens?

Wait, I know she has the union jack,

Hidden just beneath her back,

But who knows,

What does her royal majesty wear underneath?
